## Classroom Activities

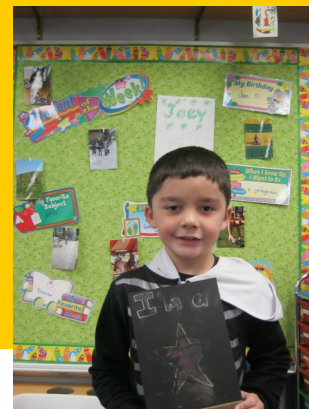

Grand Friends day is this coming Wednesday. Your child's special friend is welcome to join them the entire morning. We will have an assembly in the gym, have a short music and PE class. Then there is some time for learning in the classroom. Most students leave with their special friend for lunch and very few return after lunch. I welcome any student that would like to spend the afternoon with me.

We will be completing our 3D shape unit next week. I hope to assess students on Tuesday. Students will need to tell me the name of the shape when shown a photo of an object. Practice using the vocabulary cards over the weekend. Please also remember Donuts for Dads notes were due on Tuesday. Moms are welcome if Dads can't attend.

## Books We Read

Come Out and Play by Cathy Torrisi

Please Take Me for a Walk by Susan Gal  
"Field Trips"

## Letter Person News

Mr. C's colossal cap has helped us identify words beginning with /c/. He also taught us that we don't need to be shy all the time. We wrote the words can, cup, cake, and cap independently on the C puzzle this Friday. Look for it in folders Mon-

day. Keep practicing writing at home. This might be as simple as saying the sounds and letters to write a word in the car, writing a grocery list at home, or a short letter to a family member. Our sight words were: not, go, there,
