Classroom Activities

Things are moving right along in kindergarten this week. Next week we will begin homework. This will be sent home Tuesdays. This homework will include sight words. Cut these words out and put them in a bag in a safe location. We have become really good at reading I can. There will also be two books for your child to read to you three times during the week. Both books need to be returned in the

homework bag on Friday or Monday. In math we learned about combining shapes to make bigger shapes. We also assessed over the 2D shapes. These shapes were square, triangle, circle, rectangle, and hexagon. We are now down to one butterfly and one chrysalis. I think our caterpillar will be a chrysalis by Monday.

Books We Read
